

## Prayers & Partnership Opportunities for the Sevierville office

1. Father, in Jesus' name, I praise you and thank you for the unborn children who are making their way into the PRC Sevierville location each week. Help these moms and dads see this precious child as a gift from YOU, Father! Continue to send these precious families through the doors of PRC Sevierville.
2. Father, we ask that you cover our staff and volunteer team and their families as they serve. Put your word in their mouths, Lord. Allow them to speak clearly and boldly to families that will take heed of your truth.
3. Father, we ask that word of mouth continue to spread in this great region. Like a light on a hill that cannot be put out. Shine so bright that it draws families who need and deserve your care.
4. Father, we ask for more church communities to be aware of your great work happening at 800 Park Road and want to partner with us financially and in serving.
5. If you have ever been to our Sevierville office, you know we are limited on parking and space. We ask that the Lord in His time will open up a larger space with adequate parking!
6. If you have ever been interested in volunteering and serving families with us then we need you. You can go to our [\*\*VOLUNTEER LINK\*\*](#) to start that process.
7. Families that are served at any of our locations never have to pay a dime for their services. It all comes from generous individuals in our community just like you. Join our family of monthly givers called, "THE HEART" and start making a monthly difference today! [\*\*JOIN THE HEART\*\*](#)
